Team Rushden - United we stand, divided we fall

Dear Parent / Carer

This week I met with leaders from Whitefriars Church and was able to share Team Rushden successes and some of the challenges that our young people are facing in today's society. We also had a presentation about the homeless issues and the lady presenting expressed the difficulties that some people face daily, this really puts things into perspective. There was a further presentation from a social prescribing team who take a holistic approach to an individual's health and wellbeing. This service can be accessed through GP surgeries.

We were so thrilled that Alistair, year 10, did a good deed in the community this week. It was mentioned on Facebook and whoever posted the message, thank you we really appreciate positive feedback. Also this week we have been busy consulting on the changes to our behaviour policy, please read the letter that was emailed today and if you have any questions to get in touch. You should have also received a letter explaining the end of term arrangements and the return to school arrangements in January.

Next week we are looking forward to welcoming family and friends to see the pantomime, 'Cinderella,' first in 2 years, oh yes it is! A risk assessment is in place, but please remember to wear a mask and we do recommend that you take a Lateral Flow Test before the event. The Performing Arts Team have worked so hard to keep everyone safe and to deliver a wonderful pantomime for all to enjoy.

Looking ahead to the new year we will be advertising for a parent governor as we currently have a vacancy, so please keep your eyes peeled for that. Also please carefully check the staggered return to school on 5th January information on the recent email, we will also make it clear on the website.

This is the last bulletin for the year, we do hope that you have a good Christmas and that the New Year brings much joy. Thank you for working supportively with us again this year.

Take care

Mrs J Burton
Principal

DFE Information

Attendance

School attendance remains mandatory and all the usual rules continue to apply. Enabling children and young people to attend their education setting regularly continues to be a national priority.

Face coverings

Face coverings should be worn by pupils and students in year 7 and above, staff and visitors in communal areas, unless exempt. Pupils and students in year 7 and above in these settings must also wear a face covering when travelling on public transport.

Testing

We strongly encourage all those involved in education and childcare settings to continue regular testing (LFT not PCR) and reporting their results, and to encourage pupils and students in year 7 and above to test and report their results.

Isolation

All individuals who have been identified as a close contact of a suspected or confirmed case of the Omicron variant of COVID-19, irrespective of vaccination status and age, will continue to be required to self-isolate and asked to book a PCR test.

Year 8 Sports Hall Athletics

On Thursday afternoon a team of Year 8 boys and girls travelled to Manor to compete in the District Sports Hall Athletics. With 6 schools participating and having not completed any Athletics for a few months it was always going to be a tough challenge.

However, all of them (Leo, Lorenzo, Maison, Kaiden, Frank, Callum R, Esme, Chloe-Mai, Roxie-May, Katelyn, Winnie) were absolutely fantastic! Each of them ran, jumped or threw their hearts out and represented the Academy in the best way possible. They constantly encouraged and praised one another throughout despite some competing against some incredibly strong athletes.

We had some outstanding personal achievements but it was all about the team performance and they stayed united throughout. The girls came a very respectable 6th position and the boys were just 3 points away from taking away the Gold Medal! Finishing in second!

All of the students can be very proud of their achievements today and as a PE department we are incredibly proud of each of them!

Last Day of Term Arrangements - Friday 17th December

Rushden Academy will be closing at 12:30pm on the final day of term. A limited lunch will be available between 12:30pm and 12:45pm. We will be encouraging students to make the most of the morning break time when a fuller range of food items will be available.

Students can remain in school but must register in the library at 1:00pm where they can be supervised until the end of the normal school day. Whilst in the library students can choose to complete independent work, have access to computers and the wide variety of books available.

If you wish your child to remain in school until 3:00pm on 17th December, please contact our main reception on 01933 350391.

Word of the Week

Our students have been extremely enthusiastic towards this new challenge and are endeavouring to use the 'WOW' word in their daily communication. Our hope is to create a language rich community where good vocabulary choices are recognised and rewarded. Well done everyone.

Each week, students will be introduced to a new word which they will use, in context, in their written and verbal work during lessons and around the school.

Every time they use the word, our students will be rewarded with Achievement Points.

Word of the Week

CHARITABLE

Word Type: Adjective

Synonyms: Giving, Liberal, Benevolent

Definition:

- Generous in giving to people in need
- Kind or lenient in one's attitude towards others
- Concerned with or involving charity

Example:

- Rushden Academy students are raising money for the **charitable** organisation, Save the Children.
- Being **charitable** is an admirable quality.

Creative Arts Update

We would like to congratulate:

Kara and Liam in year 11 photography for completing their coursework to a high standard, both of them have achieved 2 grades above their target.

Here are some examples of their outstanding work...

Library Christmas Activities

The Library at Rushden Academy is fully embracing the festive season with lots of different activities for students to take part in:

Book advent Calendar

Random students will be asked to open the correct day's number and decide if they would like to borrow the Christmas or Winter themed book or not. Either way, there is a treat waiting inside for them...

'Guess The Christmas Book In The Jar'

Students try to guess which book is in pieces in the jar. A lucky-dip winner will be chosen in the last week of term.

Library Christmas Quiz

Teams of students (and teachers) will compete in our annual Christmas Quiz. There is limited space, so first come, first served. We already have a few teams signed up, so hurry if you want to book a place. It will take place on Tuesday 14th December, at the start of lunch (students will be able to eat their lunch in the Library for this event). The winning team will be announced on Thursday 16th December.

We're looking forward to seeing students and staff taking part in all of these activities.

Performing Arts Workshop with a Professional Choreographer

This week our Performing Arts Faculty had an exciting opportunity for our Performing Arts students in Years 9, 10, 12 & 13 to participate in a Musical Theatre Workshop led by professional Choreographer **Melody Sinclair**.

Melody is local to the Northamptonshire area, attending Kingsthorpe College before studying Musical Theatre at the University of East London. Alongside her studies, Melody became a member of ZooNation Dance Company. She is currently working as a model, dancer, choreographer/teacher and is proud to be an Associate Choreographer on SIX.

This fantastic opportunity for our students gave them the experience to work with a professional from the industry and widen their range of skills and performance genres.

All participants worked hard resulting in learning direct repertoire from the West End Musical SIX.

Christmas Fair Update

Students braved the cold, wet and windy conditions to have a stall at the Christmas Lights event in Rushden High Street.

Lots of hot chocolate got Melissa, Amber, Alicia, Connor, Vicky, Richard, Jorja and Matthew through the 7 hour stint where they sold over 900 raffle tickets.

They raised a staggering £454 and their partnership charity, Phoenix Resource Centre, have secured 20 classroom desks and 40 chairs, for a primary school in Djibouti.

Rushden Round Table Santa Sleigh Collection

On Friday 3rd December Rushden Academy PTFA had the pleasure of helping Rushden Round Table with their Santa Sleigh collection around town. 19 volunteer elves helped the very hard working Santa on the night and we are very grateful to everyone, especially our amazing student helpers; Amy W, Kayden P, Harry S, William K, Emily W, Tom P, Charlie K and Grace P.

The monies raised from the night will go to the PE department and help towards the costs of purchasing replacement rowing machines for all students to use.

Thank you to all

Holiday Activity and Food programme – Winter 2021

The Holiday Activity and Food programme (HAF) is a Government funded initiative to help support families and children over three school holiday periods – Easter, Summer and Winter.

Funded places are provided at local activity camps. These activity camps are run by external organisations and the idea behind the HAF programme is to provide activities and camps to engage children and to provide them with a meal.

The criteria for a funded place is that a child is in receipt of benefits related to Free School Meals.

You can book activities using the code below on the www.holidayactivities.org website, where opportunities are listed. Depending on what activity camp you choose, you will be directed to a booking site where you will need to complete the information as fully as possible.

6th Form Careers Speed Dating Event

This week we have hosted an informative and exciting Careers Speed Dating event, facilitated by Northampton University. We welcomed:

Greg Hayes - Ortec

Adam Fox - Evolve Business Coaching

Marvin Mudzongo - Lemonpop

Oliver Palmer - Iqus

Jayne Tibbs + Harley Childs - NHS

PC Martyn Buckby + PCSO Stephanie Bacon - Northants Police

CPO Derek Snaith - Royal Navy

The students spent 15 minutes with each company/ organisation to discuss careers, qualifications, experiences and future plans.

All of the students were actively involved and many learnt about the different career paths available to them at post 18 level. As always, they were ambassadors for the Academy.

Rushden Hair and Beauty Christmas Promotional Event

Good fun was had by all at Rushden Academy Hair and Beauty promotional event.

The event was organised by level 3 beauty students, to promote the salon and products and services we offer.

All the students made us immensely proud!

Performing Arts at Rushden Academy

Drama

Year 10 BTEC Performing Arts Students have been preparing for their final physical performance as part of Component 1 next week. Students have been allocated groups with a director with an extract from 'The Unreturning'. Students are applying Frantic Assemblies building blocks to their performances in order to show character, setting and relationship's in their performance. Students have been rehearsing in and out lesson time in order to ensure they put on a polished performance of their extracts.

Intervention - Every Thursday PA4

Dance

Currently the Year 10 dancers are exploring contemporary dance technique as part of Component 1. They have been taking part in technique workshops which test their ability to apply the stylistic features of the dance style as well as explore significant practitioners that contributed to the evolution of the style we know today.

Intervention-Every Thursday PA4

Music

Year 9 students are learning the twelve bar blues format on keyboards. They watched a clip of a piano cover of Elvis Presley's hit tune 'Hound Dog' and are using this melody to add some interest to a standard boogie-woogie bass accompaniment on keyboards. They have learned to play this, using their left hand as an accompaniment, so that those who wish to, can add the melody in their right hand. The plan for the second lesson on this, is for each pair of students working at a keyboard to be able to play both the melody and accompaniment together, to really get into the stylistic qualities of the genre!

Performing Arts Career of the week: Choreographer

You'll create and plan routines for performance, usually to music. You'll create dance routines to entertain at live shows, events or for TV and films. You could choreograph stage, TV or film performances, music videos, and even fashion shows or corporate events.

Average Annual Salary: £43,875

How to Access Go4Schools

Go4Schools is the online system that Rushden Academy uses to track student attendance, student progress and assign homework tasks.

Students and parents can access this at home to keep up to date, by checking timetables and homework deadlines. Student progress reports will be published through Go4Schools 3 times a year.

Please follow the instructions below to access Go4Schools.

Student access to Go4Schools

- ◆ Go to the Go4Schools student access page (on the top right of the Go4Schools home page)
- ◆ Type in your school email address in the first time user box (your computer login in followed by @rushden-academy.net)

First-time User?

If you haven't logged on to GO 4 Students before, type your email address and click the "please send me a password" button.

Email address:

Please note, if you are having problems with your password please contact your school. For Data Protection reasons we are unable to divulge or set passwords for students ourselves.

- ◆ This will send you an email link with your password
- ◆ Login with your new password

Parental access to Go4Schools

- ◆ Go to the Go4Schools parent access page
- ◆ Enter your email address (the one Rushden Academy contacts you on) to the first time user box
- ◆ This will send you an email link with your password
- ◆ Login with your new password

If you haven't received an email in 5 minutes, please double check you have your email typed in correctly and ask them to send the password again. If you have any problems accessing Go4Schools do not hesitate to contact the academy.

Check if You or Your Child has Coronavirus Symptoms

If you have any of the main symptoms of coronavirus (COVID-19), get a test as soon as possible. Stay at home until you get the result.

Main symptoms

The main symptoms of coronavirus are:

- ◆ **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- ◆ **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- ◆ **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Most people with coronavirus have at least 1 of these symptoms.

What to do if you have symptoms

If you have any of the main symptoms of coronavirus:

1. Get a test to check if you have coronavirus as soon as possible.
2. Stay at home and do not have visitors until you get your test result – only leave your home to have a test.

Anyone you live with, and anyone in your support bubble, must also stay at home until you get your result.

Use the NHS 111 online coronavirus service if:

- ◆ you're worried about your symptoms
- ◆ you're not sure what to do
