## Team Rushden - United we stand, divided we fall

Dear Parent / Carer

Just a reminder that it is Staff Training Day tomorrow, so pupils will not be attending school but will return on Tuesday 19th April.

If you managed to see the Key Stage 3 show, Matilda, either Tuesday or Wednesday evening I am sure you will agree that it was just magnificent. The Performing Arts Team always goes above and beyond what is expected and the pupils were just amazing!

We have had a very productive week again, on Tuesday we took 50 year 9 and 10 girls to a science, technology, engineering, the arts, and mathematics (STEAM) trip to the University of Northampton. Apparently the girls were inspired by potential STEAM career opportunities that they had never thought of previously.

Year 9 have had their teenage booster vaccinations and the nurses were once again very complimentary of the approach and behaviour of the pupils here. We also interviewed this week and one candidate said you can almost feel the Team Rushden hug as you walk in. We value being smart and respectful and that is very clear.

Year 11 and Year 13 will almost definitely be sitting summer examinations, although some external examinations have already begun the main round starts early May. Without doubt pupils will need to be revising over Easter, practicing papers, looking at exam board information will really help. Useful tools include GCSE pod, Educake & MyMaths. The BBC also has some great tools to help, please see: <https://www.bbc.co.uk/bitesize> for further information.

## Check Your Contact Details are Correct

Please ensure the contact details Rushden Academy has for you are correct. You can do this via SIMS Parent Online or via the SIMS Parent App. If you have not received an invitation to login, please contact main reception.

### Numeracy Problem of the Week

The Kings of Clubs, Diamonds, Hearts and Spades, and their respective Queens, are having an arm wrestling competition.

Everyone must wrestle everyone else, except that no King will wrestle his own Queen.

How many wrestling bouts are there?

## Go4Schools Parent App

We have now subscribed to the parent app for Go4Schools. You can download the app from the Apple App Store or the Google Play Store, and have access to your child's timetable, progress reports, attendance and behaviour information at the touch of a button.

For more information about how to create your Go4Schools Parent Account, have a look at the guide at the end of the newsletter.

Please note, we use Google Classrooms to issue and track homework, not Go4Schools.

## Statement From North Northamptonshire Council

### EXTRA SUPPORT FROM NORTH NORTHAMPTONSHIRE COUNCIL TO HELP FAMILIES MEET THEIR FINANCIAL COMMITMENTS

North Northamptonshire Council is providing families, who are already in receipt of the local School Holidays Meal Support Scheme, a one-off supermarket voucher for each eligible child to the value of £50. This voucher can be redeemed in major supermarkets and can be used to help towards alleviating pressure on critical household budgets.

Cllr Jason Smithers, Leader of North Northamptonshire Council, said: “With inflation at the highest rate for decades and heating prices rocketing, many people are struggling to make ends meet with balancing their household finances. I’m delighted that we’re able to offer this support to the most vulnerable in North Northants to help see them through this difficult time.

## Active April

Have a look at Action for Happiness' calendar for April. Will you try any of the ideas?

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
				1	2	3
				Commit to being more active this month, starting today	Spend as much time as possible outdoors today	Listen to your body and be grateful for what it can do
4	5	6	7	8	9	10
Eat healthy and natural food today and drink lots of water	Turn a regular activity into a playful game today	Do a body-scan meditation and really notice how your body feels	Get natural light early in the day. Dim the lights in the evening	Give your body a boost by laughing or making someone laugh	Turn your housework or chores into a fun form of exercise	Have a day free from TV or screens and get moving instead
11	12	13	14	15	16	17
Set yourself an exercise goal or sign up to an activity challenge	Move as much as possible, even if you're stuck inside	Make sleep a priority and go to bed at a good time	Relax your body and mind with yoga, tai chi or meditation	Get active by singing today (even if you think you can't sing!)	Go exploring around your local area and notice new things	Be active outside. Dig up weeds or plant some seeds
18	19	20	21	22	23	24
Try a new online exercise, activity or dance class	Spend less time sitting today. Get up and move more often	Focus on 'eating a rainbow' of multi-coloured vegetables today	Regularly pause to stretch and breathe during the day	Enjoy moving to your favourite music. Really go for it	Go out and do an errand for a loved one or a neighbour	Get active in nature. Feed the birds or go wildlife-spotting
25	26	27	28	29	30	
Have a 'no screens' night and take time to recharge yourself	Take an extra break in your day and walk outside for 15 minutes	Find a fun exercise to do while waiting for the kettle to boil	Meet a friend outside for a walk and a chat	Become an activist for a cause you really believe in	Make time to run, swim, dance, cycle or stretch today	

## Women into STEAM

The science department took 52 girls on a trip to the University of Northampton to the Women in Science Technology Engineering Accountancy and Maths (STEAM) event.

There were over 50 different careers stalls all offering interactive and engaging activities including;

- ◆ the Ben and Jerry's challenge from Unilever
- ◆ making sherbet with Scott Bader
- ◆ seeing robots
- ◆ airbrushing from Northampton college
- ◆ and lots more

The students also had a tour of the UON campus and a workshop where they looked at Vauxhall car design or go karts. This fantastic opportunity helped raise awareness and confidence in students which we lovely to see throughout the day.

The girls completed surveys at the start and end of the day which showed a massive increase in the number of students wanting to attend university without the worries they had at the start of the day.

It was wonderful to see the girls imagining themselves going to university and their behaviour was impeccable.

Isobel won a competition beating over 750 students from other schools to build the best structurally sound structure out of lolly sticks!

We also had a team of students who scored joint second out of all the teams of the day to build a go kart without instructions in the quickest time.

## KS3 Musical

# ROALD DAHL Matilda THE MUSICAL JR.

This week saw our first EVER KS3 Musical 'Matilda' take place at Rushden Academy.

KS3 and some of our Year 12 BTEC Performing Arts students took the stage Tuesday and Wednesday night, what an incredible show it was. The cast, crew and production teams have worked so hard over the past few months to put on the performances. Students have dedicated time, effort and have had to put up with the Trunchball's strict rules so they weren't sent to the chokey!

As a Performing Arts Faculty we hope you enjoyed the show and we are so proud of all involved.

Please look out for show pictures in the next newsletter and on our Instagram page!

## 6th Form Instagram Page

We have a 6th form Instagram page. This is where we post up to date information on events and trips in the 6th form.

Please follow and share in our adventures and successes.

## Duke of Edinburgh Update

The current year 10 students that are enrolled within the DofE programme have been meeting with Mrs Brooks to ensure that they are on track with what they are doing for their 3 sections: Volunteering, Physical and Skill.

Anyone that has not dropped in to meet with Mrs Brooks this week is encouraged to get themselves logged into their eDofE account over Easter and complete and submit their plan for these sections in order for us to approve the activity. Please ensure each activity has an assessor listed as well as some form of contact information for them! Anyone who is having difficulties accessing their account can drop a message on the classroom or an email to Mrs Brooks and we can get you sorted out.

Some students are starting to complete sections and we are looking forward to celebrating these successes after Easter!

Current Year 9 students - look out for information on how you can take part in the programme coming to you before Summer!

## Year 8 Basketball Success

On Tuesday evening our newly formed Year 8 Basketball team hosted Manor School in their first ever competitive fixture! Despite only having played together in one rotation of PE lessons and the After-school extra-curricular sessions, we were unsure on how we would fare against a school that had played numerous games beforehand.

However, the team consisting of Svetlan, Lorenzo, Joseph, Callum R, Oliver S, Alex W, Kieran M and Jake were exceptional and lead 6-0 within the first 20 seconds. the boys ran riot, continuing to score at will, playing some excellent basketball with fast flowing, passing moves and working at an incredible intensity. The team ended up winning by over 50 points!!! Despite the score line the boys maintained their high levels of sportsmanship and gamesmanship, often assisting the opposition and overruling the referee for the benefit of the opposition.

## Library Update

During the Easter break period if you or your child are having a Spring clean and find any books that you would like to re-home, please consider us!

We are after any fiction books that are:

- ✓ recently published (since 2015)
- ✓ of interest or enjoyment to students here at Team Rushden
- ✓ ideally with a reading age from 9-18
- ✓ in good condition

You can send your child in with any of the books you would like to donate. Alternatively, if you would like the books to be collected from your house at a time that would suit you then please contact me at [M.Quantrill@rushden-academy.net](mailto:M.Quantrill@rushden-academy.net) to arrange a collection.

## Overdue Library Books

Please can you remind your child to keep an eye on the date in the front of their library book as to when it needs to be returned by. Students can borrow the book for two weeks - if they need a few more days to complete it then they just need to pop in to get it renewed.

Happy Reading!

**Stationery for sale in the Library**

Don't forget that there are stationery items available to buy in the Library, so if you've realised you haven't got your pen on the way to school or your ruler has broken, pop in to see the Library and get yourself sorted. We have:

				
Black or blue biro 15p	Pencils 15p	Small eraser 15p Large eraser 20p	Pencil sharpener 10p	Small, clear pencil case 40p Large, clear pencil case 60p
	 			
Protractor 15p	15cm ruler 15p 30cm ruler 30p	Calculator £9.25	Highlighter pen 40p	Set square 15p

There a few other items too. To see everything have a look at the stationery list available on the school's library page.

## Performing Arts at Update

During some Dance, Drama and Music lessons this week KS3 students have been able to watch 'Some Like it Hip Hop'. Some Like It Hip Hop is a story of love, mistaken identity and revolution, in a city where books are banned, and where women are kept subservient to men. The story revolves around two central female characters, Jo-Jo and Kerri. When they are discovered breaking the rules of the city, they are thrown out. The musical has links to all of our Performing Arts subjects.

Year 9 Drama Students have spent this term studying 'Teechers' a play by John Godber. Teechers looks at features such as multi rolling, narration, direct address and lots of comedic features. Gail, Hobby and Salty, three students who, through their end of term play, tell the hilarious story of an idealistic new teacher in his perilous first days inside a local comprehensive school.

### Thursday 31st March Blood Brothers Drama Trip

Some of our Year 9, 10, 12 and 13 Drama students have had the opportunity to go and see Blood Brothers at Peterborough's New Theatre on Thursday. Blood Brothers, a musical by Liverpoolian playwright Willy Russell, revolves around twin boys (Mickey and Edward) who are separated at birth and brought up in completely different environments in the city. We study the play text 'Blood Brothers' in Year 9, which continues into looking at different theatre styles in Year 10. Students who have opted for Drama as an option will be able to see stage acting along with all of the production elements which come with it.

### Performing Arts Career of the week: Movement Director

A Movement Director is someone who brings the physical aspect of a play to the fore by being close to the body. It's a physical job that enables actors' creativity to help them create the world of the play and build connection with their colleagues.

For any students that are interested in taking up instrument lessons this term - please get in touch with Mrs Ede! We currently offer string, piano, guitar, drum and singing lessons but if you are interested in other instrument please let us know and we will try and source the provision!

## Are you looking for a career change? Are you interested in training to teach?

Rushden Academy has a proven track record in successfully supporting trainee teachers on programmes leading to QTS. Many of our staff, past and present, have been trained at the school and an even larger number have completed main placements and second placements here before securing teaching jobs elsewhere.

As a school with a strong and successful record for training new teachers to the profession, Rushden Academy works closely with School Centered Initial Teacher Training (SCITT) providers to provide fully supported and mentored school placements on a variety of routes.

If you are interested in a new career or are looking for more information about routes into teaching, then please contact Gail Brainwood, Director for Learning on 01933 350391 or by email: [g.brainwood@rushden-academy.net](mailto:g.brainwood@rushden-academy.net)

## How to Access Go4Schools

Go4Schools is the online system that Rushden Academy uses to track student attendance, student progress and assign homework tasks.

Students and parents can access this at home to keep up to date, by checking timetables and homework deadlines. Student progress reports will be published through Go4Schools 3 times a year.

Please follow the instructions below to access Go4Schools.

### Student access to Go4Schools

- ◆ Go to the Go4Schools student access page (on the top right of the Go4Schools home page)
- ◆ Type in your school email address in the first time user box (your computer login in followed by @rushden-academy.net)
- ◆ This will send you an email link with your password

### **First-time User?**

If you haven't logged on to GO 4 Students before, type your email address and click the "please send me a password" button.

Email address:

Please note, if you are having problems with your password please contact your school. For Data Protection reasons we are unable to divulge or set passwords for students ourselves.

- ◆ Login with your new password

### Parental access to Go4Schools

- ◆ Go to the Go4Schools parent access page
- ◆ Enter your email address (the one Rushden Academy contacts you on) to the first time user box
- ◆ This will send you an email link with your password
- ◆ Login with your new password

If you haven't received an email in 5 minutes, please double check you have your email typed in correctly and ask them to send the password again. If you have any problems accessing Go4Schools do not hesitate to contact the academy.
