Team Rushden - United we stand, divided we fall

Dear Parent / Carer

Just two weeks remain until the Easter holidays and I am left reflecting on how quickly the Spring term has flown by!

It was Mrs Smith's turn to lead the assembly this week which encouraged students to think about what it means to be considerate. It explored themes of empathy and sympathy and got students to think of times where people have shown them consideration as well as times where they have been considerate to others. Manners are extremely important to me as they cost nothing and make society a much kinder place; it was pleasing to see a big emphasis on this in the assembly. Students left the assembly thinking about how they can continue to show consideration to others around school and within the wider community.

Year 11 mock examination results have all been collated following the marking of papers and these results will be shared with parents and carers via Go4Schools very shortly. In addition to the sharing of these results, further correspondence will be sent by various Heads of Faculty in relation to which improvement areas your children need to focus on prior to their final examinations in the summer. The progress league table will also be updated outside of the main hall so students can see how much they have improved since the November mock examinations.

On Wednesday we were able to have additional rehearsals for all the students involved in Key Stage 3 Buggy Malone show and it is exciting to see it all coming together in advance of the live performances which take place in the week commencing 27th March 2023. Information regarding how to get tickets is available on our social media platforms and in our newsletters; we hope to see as many of you there as possible.

A highlight for the week for me was the opportunity to teach science to Year 11 on Thursday for an impromptu chemistry revision lesson. I was blown away by the work ethic and attitude to learning of the students in the group and I am excited to see what results they go on to achieve in their GCSE examinations in the Summer.

Thank you for your continued support with ensuring that students are arriving at school in exemplary uniform and on time. These high standards will stand them in good stead for later life.

Have a pleasant weekend,

Yours sincerely,

Mr B Baines
Principal

PE Update

Year 7 Netball - District League

This week we went away to Wollaston to play against Wollaston and Wrenn in the league.

We played against Wrenn first and despite them having a strong and physically tall team our girls played extremely well and we won a convincing 4-1. There were strong defensive performances from Kimberly and Eisha and Imogen played fantastically and scored all 4 goals!

For our second game we were up against Wollaston. Both teams played so well and it was great to watch such young students displaying such good netball skills. We were leading 2-1 throughout thanks to 2 goals from Lacie and then right at the last minute they managed to score 2 quick goals to take it 3-2. Despite the disappointing result the girls were proud of their performance.

We go again next week at home to local rivals, Ferrers!

Intermediate Maths Challenge

United Kingdom
Mathematics Trust

On the 2nd of February 30 of our finest mathematicians in year 9 took part in this years Intermediate Maths Challenge. This is a national maths competition where our pupils were competing against others from across the country. Our students made us proud again.

The Maths Department would like to extend a special congratulations to Kieran, Bailey, Emlia, Carmel and Bhumika all of whom attained the level of the Bronze Award. Well done to all of the year 9s who took part.

VACANCIES

Have you considered being a school governor?

Rushden Academy has vacancies for Co-opted Governors to join the local governing body. We would be delighted to hear from anyone who has:

- An interest in the performance of the school
- An open and enquiring mind and the ability to look at issues objectively
- The confidence to ask questions and join in debate
- A willingness to listen and make informed judgements
- The ability to work well with others
- Some time to spare (6 full meetings per year, usually held early evening)

If you have the time, skills, energy and commitment for this rewarding and fulfilling role we would love to hear from you. We are keen to hear from experienced governors or those new to school governance. Training and development will be provided.

Further information is available on our website:

North Northants SEND Team

North Northants Council and West Northants Council are ready to launch two new separate SEND Information, Advice and Support Services (IASS). North Northants SEND IASS and West Northants SEND IASS will replace the current IASS for SEND in Northamptonshire. The new services will start on 1st APRIL 2023.

West Northants SEND IAS will cover Northampton, South Northants, Daventry and Towcester.

North Northants SEND IAS will cover Wellingborough, Rushden, Kettering and Corby.

The two new services will continue to deliver the IASS remit of providing free, impartial information, advice and support to children and young people with SEND and their families. As part of the Children and Families Act 2014 it is a legal requirement that all local authorities ensure children and young people aged 0 to 25 with Special Educational Needs and Disabilities (SEND) & their parents have access to an impartial Information, Advice and Support (IAS) service.

The two new services will operate at arm's length from the local authorities and clinical commissioning groups. All staff will continue to be independently trained.

The services will give practical, factual and impartial information advice and support to enable children and young people and their parents to participate fully in decisions about education, health and social care.

Please find the contact details and new branding below for the new services.

North Northants SEND IAS covering Wellingborough, Rushden, Kettering and Corby.

Meet the North Northants SEND Team

Dear Parents and Carers

Rushden Hall – Rushden NN10 9NG

21st March @ 4:30pm - 5:30pm

The local SEND Team look forward to meeting you next week - if you have not yet booked, please email me or just drop in.

We would like to meet with parents and carers to find out how we can provide guidance and help in supporting you and your child within your local area. This could be chatting to an educational psychologist or advisory teacher SEND specialist. You may also want to hear from our specialist team about a range of topics, or just pop in for a coffee and meet with other families.

To register for the event, for more information, or be added to our mailing list, please contact: pamela.hobart@northnorthants.gov.uk

Unfortunately, we cannot offer creche facilities, and we ask that children do not accompany you please, as this is a meeting for discussions between parents & carers and SEND professionals.

There is parking available nearby at the venue.

Pi Day

In Miss Webb's maths sets this week we have celebrated Pi Day! 3.14 (14th March!) Her sets have been challenged to remember pi to at least 20 digits!

Is there anyone that can beat the 70030 record?

(Apple) Pie is the prize for the winner!

Summer Rewards Trips

3 weeks to go until we will start looking at who has qualified for the reward trips! We still have 380 Students still able to go!

Performing Arts Update

Drama:

Year 7 and 8 have both been looking at physical theatre. They have been exploring how to make effective physical theatre performances. Year 7 have been focussing on the basic creation of physical theatre and year 8 have been looking at the application of this and using non-verbal communication. Both year groups have been impressing us and we have had some excellent examples of physical theatre being produced.

Dance:

Our Year 9's have been busy using their choreography skills. This term students have been challenged to create their own group dance inspired by Emancipation of Expressionism. Using their previous knowledge and understanding of the movement studied last term, students will perform their choreographies with the intent of 'Freedom to Express'.

Music:

Year 9 students have been finalising assessment pieces for performance this week. Samba music is all about energy and working together and our classes have really pulled together well to ensure the best performances possible. We look forward to next week when we hear some of their final pieces.

Performing Arts Career of The Week: Special Effects Technician

As a special effects (or SFX) technician, you'll be behind the physical, pyrotechnic and visual effects seen in TV, film and some live entertainment events. From making 'real' snow, explosions, detailed models and fantastical monsters, the ability to wow often comes down to the skill of the technicians behind the magic.

Estimated Annual Salary: Technicians (with five years' experience in the industry) earn a minimum of £35.00 an hour, or a day rate of £385.00.

Voice in a Million:

On Wednesday 15th March we took 17 Year students down to the VIAM 2023 event at Wembley Arena. A full report will follow next week!

For any students that are interested in taking up instrument lessons this term - please get in touch with Mrs Brooks! We currently offer string, piano, guitar, drum and singing lessons but if you are interested in other instrument please let us know and we will try and source the provision!

Performing Arts Update

Model Behaviour:

On Wednesday 6th March our sixth formers took part in the National Theatre Connections. They performed in 'Model Behaviour' by Jon Britain with a guest director from the National Theatre who came to watch. The 6th formers did an absolutely incredible job and have made us all very proud of them.

The next step is to perform at The Royal and Derngate theatre in Northampton. This will be the host theatre performance and will be watched by members of the National Theatre who will decide if, of the groups that have performed 'Model Behaviour', ours was the best! If we receive the best results then we will have the opportunity to perform our version of 'Model Behaviour' at the National Theatre, which is an incredible opportunity.

The performance at The Royal and Derngate will take place on Friday 14th April at 6pm. If you would like to come and support our 6th formers, tickets are £6 and are available on The Royal and Derngate website. We would love to see as many familiar faces as possible!

- Which word has no right to be in the list?

Uniformed, Unicycle, Unicorn,
Unilateral, University

Need help getting started?

Think about the prefixes for each word. Are they the same or is one of them different? Do they all mean the same thing?

Good to know: A prefix is letters attached to the beginning of a word stem that change the meaning of the word e.g. the prefix un + happy = not happy.

Numeracy Problem of the Week

Sound travels at about 330 metres per second; light travels so fast that it arrives almost instantaneously.

If you time the gap between a flash of lightning and its clap of thunder as 6 seconds, roughly how far away is the storm?

Weekly Star of MFL

Each week the MFL department chooses one of its Stars of the Week to showcase.

This may be for producing a particularly impressive piece of work, making excellent progress, having great attitude to learning or otherwise representing one of the Team Rushden values.

This week's star is...
Abbie

For your relentless determination and hard work exceeding above target in your PR2 and forever pushing for more improvement.
Well done!
Mrs Charlton

How to Access Go4Schools

Go4Schools is the online system that Rushden Academy uses to track student attendance, student progress and assign homework tasks.

Students and parents can access this at home to keep up to date, by checking timetables and homework deadlines. Student progress reports will be published through Go4Schools 3 times a year.

Please follow the instructions below to access Go4Schools.

Student access to Go4Schools

- ◆ Go to the Go4Schools student access page (on the top right of the Go4Schools home page)
- ◆ Type in your school email address in the first time user box (your computer login in followed by @Rushden-academy.net)

First-time User?

If you haven't logged on to GO 4 Students before, type your email address and click the "please send me a password" button.

Email address:

Please note, if you are having problems with your password please contact your school. For Data Protection reasons we are unable to divulge or set passwords for students ourselves.

- ◆ This will send you an email link with your password
- ◆ Login with your new password

Parental access to Go4Schools

- ◆ Go to the Go4Schools parent access page
- ◆ Enter your email address (the one Rushden Academy contacts you on) in the first time user box
- ◆ This will send you an email link with your password
- ◆ Login with your new password

If you haven't received an email in 5 minutes, please double check you have your email typed in correctly and ask them to send the password again. If you have any problems accessing Go4Schools do not hesitate to contact the academy.

You also have access to the Go4Schools app that can be downloaded from the Apple Store or Google Play.

Mr P Bocking
Assistant Principal

Are you looking for a career change? Are you interested in training to teach?

Rushden Academy has a proven track record in successfully supporting trainee teachers on programmes leading to QTS. Many of our staff, past and present, have been trained at the school and an even larger number have completed main placements and second placements here before securing teaching jobs elsewhere.

As a school with a strong and successful record for training new teachers to the profession, Rushden Academy works closely with School Centered Initial Teacher Training (SCITT) providers to provide fully supported and mentored school placements on a variety of routes.

If you are interested in a new career or are looking for more information about routes into teaching, then please contact Gail Brainwood, Director for Learning on 01933 350391 or by email: g.brainwood@Rushden-academy.net

Are You Eligible for Free School Meals?

If you are in receipt of any of the following, your child may be eligible for free school meals.

- Income Support
- Income based Job Seekers Allowance
- Income related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- Child Tax Credit, with no element of Working Tax Credit, and a household income below £16,190 (as assessed by HM Revenue and Customs)
- Guarantee Element of State Pension Credit
- Universal Credit - income dependant

You can check your eligibility and apply for free school meals through Northampton County Council by clicking [here](#).
