Team Rushden - United we stand, divided we fall

Dear Parent / Carer

It has been a very busy end to the term with lots of different activities taking place across the school. I can't believe there is just one term left of the year; it has genuinely flown by! However, every single day of the 5 terms so far, something has happened to remind me just how fantastic the students and teachers are here and it is a real privilege to lead the school.

There was no rest for the Year 11s as they continued their busy exam schedule with various exams taking place this week including their second English Literature paper and their physics paper. Similarly, many of our Year 13 students were also undertaking various A level examinations this week.

Heads of Year led the assemblies to their respective Year Groups and gave out a large number of awards for both student conduct and attendance which is always a nice way to end a term.

Our final workshops of the term were aimed at Year 9 students and focused on the topic of County Lines. This is a topic that forms part of the statutory Relationships and Sex Education programme and the workshops helped students to recognise activity which could be associated with County Lines whilst also providing advice about what to do if they have concerns about friends being involved.

Wednesday was Fun on the Field which was another opportunity for students to be rewarded for their conduct and attendance. There were bouncy castles and inflatables along with music for students to enjoy and the glorious weather made it an even more enjoyable experience.

On Thursday evening, we welcomed a large number of you into the academy for Rushden's Got Talent 2023. There were 7 fantastic acts that performed in the competition with both dancing and singing skills on display. Once again, I was in genuine awe at the incredible talent of our students as well as their confidence to perform in front of such a large audience. Miss Montgomery also performed in the competition performing a stunning operatic piece which was thoroughly enchanting. Any of the 7 acts would have been worthy winners but a big congratulations to Samuel who took the title with his evolution of dance performance.

Whatever you have planned for your children next week, I hope you have a lovely time.

Yours sincerely,

Mr B Baines
Principal

Online Safety: Omegle

We have had reports from parents that some of our students are using the social media platform - OMEGLE

Omegle advertises itself with the strapline "Chat with random strangers online - it's fun, it's a new experience every time."

On their own site Omegle states: "predators have been known to use Omegle, so please be careful."

For more detail visit Internet Matters (link below) but please ask your children whether they are using this platform and talk to them about the dangers of communicating with strangers online.

<https://www.internetmatters.org/hub/news-blogs/what-is-omegle-what-parents-need-to-know/#:~:text=Its%20site%20states%20%E2%80%9Cpredators%20have,personal%20information%20online%20with%20strangers.>

Lost Property

Please remind your children to check lost property in main reception if they misplace any items.

Any items that remain unclaimed for more than 4 weeks are donated to our internal spare uniform supplies or to local charities.

This Term in Geography

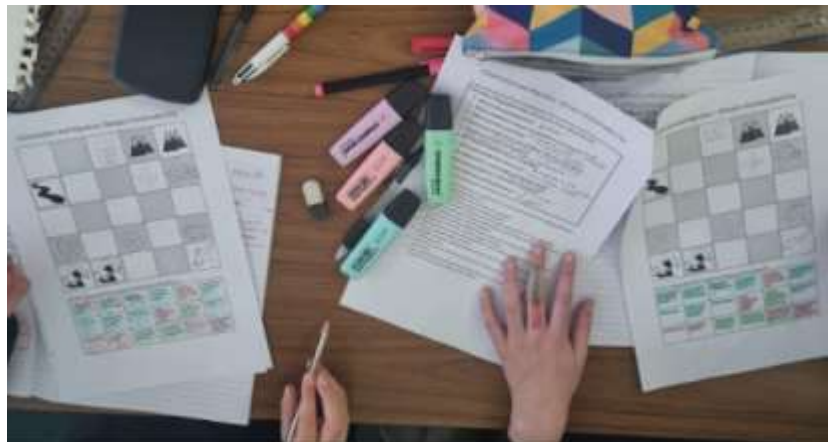

As part of their Urbanisation and Migration unit, Year 8 Geographers have been learning about how cities develop. They have learned about the favelas in Rio and the changes Singapore made to become socially, economically and environmentally sustainable and are now working in teams to apply that knowledge.

They are working as groups of urban architects and planners to design a new sustainable city in Brazil. The city is similar to Rio de Janeiro or Singapore before it was regenerated and must be socially, environmentally and economically sustainable. Each member of the group is responsible for either social, economic or environmental sustainability and there is a list of building regulations the teams need to abide by such as not building key infrastructure near rivers or oceans in case of flooding and providing enough housing for the city's four million residents.

This project is designed to make students 'think like a geographer' and see how the skills they use in class can be useful in the wider world. Already there are some phenomenal cities being planned so I look forward to watching their presentations.

Keep aiming high Year 8!

Miss J Kinsman
Head of Humanities

Dinner with Rushden Rotary

On Wednesday a small group of year 9 students, Mr Smith and myself had the pleasure of attending the Rushden Rotary Club meeting at The Stanwick Hotel to give feedback to the members on the Prison, Me? No Way! Day that was held back in March.

The event is very kindly and generously funded by the Rushden Rotary Club each year and without their support, our students would miss out on the strong messages delivered by the Prison, Me? No Way! team.

Kieran, Logan, Xander and Lucie overcame their nerves to stand in front of over 30 Rotarians and give a short speech on what they had enjoyed about the day and the impact it had on them.

They were congratulated afterwards by many of the attendees and both Mr Smith and I were incredibly proud of how they had represented the Academy.

We look forward to hosting the event again next year with the support of the Rotary Club.

Mrs G Brainwood & Mr A Smith

Year 7 District Athletics

We took a team of keen Year 7s over to Wollaston this week to take part in the district athletics competition. There were 6 schools in attendance so it was a tough field.

On the track we started off with a fantastic win in our first race with Imogen winning the girls 200m. It was a close race and she dug deep over a tough distance for Year 7. Well done Imogen!

We then had Taylor and Elliot running in the 800m. They both went off quick and Taylor took the lead by some distance right at the start and Elliot was a close second. Some doubted they would keep that quick pace over the full 800m but they did and Taylor came in first with an amazing time of 2min 40 seconds and Elliot was a close second with an impressive 2min 50 seconds. Well done on this fantastic achievement boys!

We continued with some more great efforts on the track from Eisha, Lewis, Harvey, Persephonie and Leila. We finished with a fab relay from the girls coming 4th and the boys team earning 3rd place.

We also had some great efforts in the field from Kai too and a great result from Charlie earning a second in the Javelin. Well done Charlie!

We were so impressed and proud with the team's performance and their overall attitude and effort throughout. They also supported each other and their fellow competitors showing a real Team Rushden attitude. Well done guys!

Sport Leadership Event

On Tuesday afternoon we hosted the Primary School Cricket Festival with 4 of our feeder schools attending: Whitefriars, Higham Ferrers Juniors, South End and Henry Chichele.

Our team of Sports Leaders including Callum R, Callum E, Oliver S, Sam P, Dempsey D, Kieran M, Ben R, Luke C, Elliott C and Finley M were fantastic as always and received some really good feedback from the Primary Schools and Ed.

As part of their roles they had to umpire, score and help coach the younger students, showing vast amounts of encouragement throughout.

They were a credit to the academy and yet again demonstrated their leadership skills and qualities to the highest level!

Police Surgeries During June

Officers from your East Northants Neighbourhood Policing Team will be holding the following Surgeries using our Police Beat Bus in Rushden next month:

Saturday 10th June

10am-Midday at Rushden Lakes (near Greggs)

1-2.30pm at Waitrose Car Park, Crown Park

Tuesday 27th June

10am-Midday at Asda Car Park Washbrook Road

1-2.30pm at Sainsburys Car Park High St. South

Please feel welcome to visit us to discuss any issues that may be causing you concerns.

Performing Arts Update

Drama:

Year 8 have been completing some Elizabethan assessments with Shakespearan scripts. They have been analysing the language and considering how to communicate meaning to an audience. We have also been learning about a thrust staging type which has an audience on 3 sides of the stage. The students have been learning how to tackle this challenge and how the use of movement is important within staging types.

Dance:

Year 9 students have been looking at the Roles and Responsibilities within a dance production. The students have been involved in various explorative tasks including a role of a Choreographer, Costume Designer and Dancer. Students have shown good commitment towards fulfilling their role each lesson and have produced some very good choreography, costume designs and performances to an audience.

Music:

Year 7 students have been forming their bands this week and choosing a Pop song to perform. Within their bands students have been assigning roles and taking on performance roles or drummers, keyboard players, ukulele players and vocalists. Students have the option of 7 different songs including Riptide, Shotgun, Demons, Call Me Maybe, Ocean Eyes, I Want It That Way and Budapest. Students never fail to surprise us with their knowledge of songs and we have had many a sing along this week while learning individual parts.

Performing Arts Career of The Week: Pattern Cutter

Pattern cutters create pattern templates based on drawings from a fashion designer to make clothes.

- follow the designer's notes and instructions
- drape and pin material pieces onto a dummy to get the right fit, then cut out a pattern based on the pieces
- alter and shape flat, standard pattern 'blocks' into a style
- modify non-standard pattern 'bases' taken from the company's pattern library
- work with machinists to make up product samples
- use computer-aided design programs to make up patterns
- use traditional hand-drawing methods
- check quality
- work with designers and garment technologists to produce a final pattern ready for production

Estimated Annual Salary: £18,000-£30,000 per year

Performing Arts Update

Rushden's Got Talent:

This week saw the return of the much anticipated Rushden's Got Talent. There were some amazing acts that absolutely blew us away and thoroughly impressed the audience and the judges. It always impresses us how much talent Rushden has and the confidence of some of our students to go out and do their best! Congratulations to Sam C who blew us away with his Evolution of Dance piece! A very well deserved win.

For any students that are interested in taking up instrument lessons this term - please get in touch with Mrs Brooks! We currently offer string, piano, guitar, drum and singing lessons but if you are interested in other instrument please let us know and we will try and source the provision!

r.brooks@Rushden-academy.net

Coming next term....

Keep an eye out for updates on our whole school musical, Chicago, and for information on when ticket sales open!

Hair & Beauty at Rushden Academy

Please be aware we are a training salon, so appointments may be cancelled due to absences of the students.

Your hair and beauty services will be carried out by a student and will be supervised by a member of staff.

Treatments that are offered will vary, dependant upon the assessment criteria that is needed at the time by the students.

The prices for colouring does not include a cut, but does include a finish.

For any treatments with colour, a skin test needs to be completed 24-48 hours prior to the services.

Call us to book your appointment or for further enquires 01933 417858

		Eraser colour remover & colour correction - (Consultation needed)			
		Toner -		£5 extra on top of the colour service	

Literacy Challenge

Task 1: Fill in the missing vowels to give the word that matches the definition:

- 1) a quarter of the circumference of a circle: Q _ _ d r _ n t
- 2) Multiplied by four: Q _ _ d r _ p l _ c _ t _
- 3) . One of four offspring born in a single birth: Q _ _ d r _ p l _ t

Task 2: Choose one of the quad- words from Task 1 that fit(s) each of the following sentences:

- 1) The brochures had to be printed in _____ to ensure there were enough for the four guests.
- 2) We are learning about _____ in maths this week.
- 3) My neighbour is going to be very busy – she has just given birth to _____

Good to know: A prefix is letters attached to the beginning of a word stem that change the meaning of the word e.g. the prefix un + happy = not happy.

Your focus for this week's challenge is the prefix "quad", which means "four" "four-fold".

Numeracy Problem of the Week

An examination paper is made by taking 5 large sheets of paper, folding the pile in half and stapling it.

The pages are then numbered in order from 1 to 20.

What is the sum of the three page numbers that are on the same sheet of paper as page number 5?

Last Week's Solution: 5

Join the Google Classroom code **f2esulr** to submit your answer

Stars of the Week

Congratulations to the following students for achieving star of the week.

Stars of the Week

Congratulations to the following students for achieving star of the week.

Stars of the Week

Congratulations to the following students for achieving star of the week.

Stars of the Week Winners

Well done to everyone who received a nomination for Star of the Week this term.

The prize draw resets after half term! Will you be in with a chance of winning next half terms vouchers?

Make sure you:

- Contribute to lessons
- Try your hardest
- Are a Team Player
- Are respectful

Then who knows, it might be YOU!

The Rules...

1. Only one voucher per student.
2. The winners will be drawn on a random number generator. Each Star of the week is allocated a number prior to the draw.
3. Winners will be emailed to let you know when you can collect your vouchers after half term. The vouchers have been drawn by Mr Smart and Student Reception.
4. The draw starts with the £5 vouchers first, followed by the £10 vouchers and then lastly the £15 voucher. This order is to increase the chance of those who have more entries winning the higher voucher. Should you be chosen more than once then you will be awarded the higher value voucher and the voucher that becomes invalid will be redrawn.

GOOD LUCK!

Stars of the Week Winners

How to Access Go4Schools

Go4Schools is the online system that Rushden Academy uses to track student attendance, student progress and assign homework tasks.

Students and parents can access this at home to keep up to date, by checking timetables and homework deadlines. Student progress reports will be published through Go4Schools 3 times a year.

Please follow the instructions below to access Go4Schools.

Student access to Go4Schools

- ♦ Go to the Go4Schools student access page (on the top right of the Go4Schools home page)
- ♦ Type in your school email address in the first time user box (your computer login in followed by @Rushden-academy.net)

First-time User?

If you haven't logged on to GO 4 Students before, type your email address and click the "please send me a password" button.

Email address:

Please note, if you are having problems with your password please contact your school. For Data Protection reasons we are unable to divulge or set passwords for students ourselves.

Please send me a password

- ♦ This will send you an email link with your password
- ♦ Login with your new password

Parental access to Go4Schools

- ♦ Go to the Go4Schools parent access page
- ♦ Enter your email address (the one Rushden Academy contacts you on) in the first time user box
- ♦ This will send you an email link with your password
- ♦ Login with your new password

If you haven't received an email in 5 minutes, please double check you have your email typed in correctly and ask them to send the password again. If you have any problems accessing Go4Schools do not hesitate to contact the academy.

You also have access to the Go4Schools app that can be downloaded from the Apple Store or Google Play.

Mr P Bocking
Assistant Principal

Are you looking for a career change? Are you interested in training to teach?

Rushden Academy has a proven track record in successfully supporting trainee teachers on programmes leading to QTS. Many of our staff, past and present, have been trained at the school and an even larger number have completed main placements and second placements here before securing teaching jobs elsewhere.

As a school with a strong and successful record for training new teachers to the profession, Rushden Academy works closely with School Centered Initial Teacher Training (SCITT) providers to provide fully supported and mentored school placements on a variety of routes.

If you are interested in a new career or are looking for more information about routes into teaching, then please contact Gail Brainwood, Director for Learning on 01933 350391 or by email: g.brainwood@Rushden-academy.net

Are You Eligible for Free School Meals?

If you are in receipt of any of the following, your child may be eligible for free school meals.

- Income Support
- Income based Job Seekers Allowance
- Income related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- Child Tax Credit, with no element of Working Tax Credit, and a household income below £16,190 (as assessed by HM Revenue and Customs)
- Guarantee Element of State Pension Credit
- Universal Credit - income dependant

You can check your eligibility and apply for free school meals through Northampton County Council by clicking [here](#).

WHAT'S ON YOUR MIND?
