

## Geography – Year 9

	Learning Episode	Learning outcomes	Case Studies/ Skills/ Resources/ Text references
<b>Term 1 &amp; 2</b>	Dynamic Landscapes  E1: Dynamic landscapes in the UK	Key point: Physical landscapes are constantly changing and there are various important examples of different landscapes in the UK.	Google maps, Satellite imagery, Aerial Photo's  <a href="https://www.bbc.co.uk/bitesize/guides/zwmgk7h/revision/1">https://www.bbc.co.uk/bitesize/guides/zwmgk7h/revision/1</a>
	Dynamic Landscapes  E2: Physical landscapes around the world	Key point: Different landscapes around the world are shaped by physical processes.	Yosemite National park, USA  <a href="https://www.youtube.com/watch?v=96FUPTOeqYI">https://www.youtube.com/watch?v=96FUPTOeqYI</a>  Gobi Desert  <a href="https://www.youtube.com/watch?v=oLMVrk5xGw0">https://www.youtube.com/watch?v=oLMVrk5xGw0</a>  Perito Moreno glacier in Patagonia, Argentina  <a href="https://www.youtube.com/watch?v=pNxgY4Ru3gs">https://www.youtube.com/watch?v=pNxgY4Ru3gs</a>
	Dynamic Landscapes	Key point: Rivers have a large importance towards human civilisations, however humans are damaging this important landscape.	Sacred rivers with Simon Reeve  <a href="https://www.bbc.co.uk/iplayer/episode/b04mj989/sacred-rivers-with-simon-reeve-3-the-yangtze">https://www.bbc.co.uk/iplayer/episode/b04mj989/sacred-rivers-with-simon-reeve-3-the-yangtze</a>

## Geography – Year 9

Learning Episode	Learning outcomes	Case Studies/ Skills/ Resources/ Text references
E3: Rivers and society		
Dynamic Landscapes	Key point: Rivers have distinct landforms that are in a constant state of flux due to physical processes.	GCSE POD Bitesize
E4: Changing river systems		Blue GCSE AQA Textbook pages: 114-121
Dynamic Landscapes	Key point: It is possible to make attempts to prevent river flooding, however these are not always sustainable.	GCSE POD Bitesize <a href="https://www.bbc.co.uk/bitesize/topics/zncqxnbn">https://www.bbc.co.uk/bitesize/topics/zncqxnbn</a>
E5: Dams and hard engineering		Blue GCSE AQA Textbook pages: 126-129
Dynamic Landscapes	The coast is pivotal towards physical processes and natural environments found on our planet.	GCSE POD Bitesize <a href="https://www.bbc.co.uk/bitesize/topics/zs3ptyc">https://www.bbc.co.uk/bitesize/topics/zs3ptyc</a>
E6: Coasts and our physical world		
Dynamic Landscapes	Coastal communities across the world are under threat from impacts of	GCSE POD

## Geography – Year 9

Learning Episode	Learning outcomes	Case Studies/ Skills/ Resources/ Text references
E7: Climate crisis and coasts	climate change such as sea-level rise and severe weather.	<p>Bitesize  <a href="https://www.bbc.co.uk/bitesize/topics/zs3ptyc">https://www.bbc.co.uk/bitesize/topics/zs3ptyc</a></p> <p>Adapting to sea-level rise: Maldives  <a href="https://www.youtube.com/watch?v=mKoppdJ6H4c">https://www.youtube.com/watch?v=mKoppdJ6H4c</a></p>
Dynamic Landscapes  E8: Coastal protection	Key point: Managing coastlines across the world is affecting physical processes as well as different stakeholders on the coast.	<p>GCSE POD</p> <p>Bitesize  <a href="https://www.bbc.co.uk/bitesize/topics/zs3ptyc">https://www.bbc.co.uk/bitesize/topics/zs3ptyc</a></p> <p>Holderness coastline management  <a href="https://www.youtube.com/watch?v=xN-3LlbqnDY&amp;t=685s">https://www.youtube.com/watch?v=xN-3LlbqnDY&amp;t=685s</a></p> <p>Blue GCSE AQA Textbook pages: 106-109</p>
Dynamic Landscapes	Key point: Physical landscapes in the UK have been shaped by Glaciation over a long period of time.	<p>GCSE POD</p> <p>Bitesize</p>

## Geography – Year 9

	Learning Episode	Learning outcomes	Case Studies/ Skills/ Resources/ Text references
	E9: Glaciation in the UK		<a href="https://www.bbc.co.uk/bitesize/topics/zpcqxnbn">https://www.bbc.co.uk/bitesize/topics/zpcqxnbn</a>  Blue GCSE AQA Textbook pages: 132-137
<b>Term 3 &amp; 4</b>	Contrasting Places: Russia  E1: Introduction to Russia	Key point: To understand the geographic location of Russia.	Russia Tourism video <a href="http://www.youtube.com/watch?v=FW0cWPdJw1E">http://www.youtube.com/watch?v=FW0cWPdJw1E</a>  Atlases, satellite imagery and aerial photographs.
	Contrasting Places: Russia  E2: Physical geography of Russia	Key point: Russia has many geographical features (both human and physical) that contribute towards its' global importance.	Physical geography of Russia <a href="https://www.youtube.com/watch?v=lf5k1NE3owQ">https://www.youtube.com/watch?v=lf5k1NE3owQ</a>  Bitesize <a href="https://www.bbc.co.uk/bitesize/guides/zvp39j6/revision/5">https://www.bbc.co.uk/bitesize/guides/zvp39j6/revision/5</a>
	Contrasting Places: Russia  E3: Climate of Russia	Key point: As the largest country in the world, Russia has many different climates that are dictated by physical processes.	Russia and climate change <a href="https://www.youtube.com/watch?v=n6LuDJRmOzU">https://www.youtube.com/watch?v=n6LuDJRmOzU</a>  Siberia – Extreme cold

## Geography – Year 9

Learning Episode	Learning outcomes	Case Studies/ Skills/ Resources/ Text references
		<a href="https://www.youtube.com/watch?v=P9zu6LsO-w4">https://www.youtube.com/watch?v=P9zu6LsO-w4</a>
<p>Contrasting Places: Russia</p> <p>E4: Population of Russia</p>	<p>Key point: To be able to describe Russia's population and to consider different changes that have occurred in the country's recent history.</p>	<p>Diversity of Russia</p> <p><a href="https://www.youtube.com/watch?v=zjNGHHjGrRc">https://www.youtube.com/watch?v=zjNGHHjGrRc</a></p> <p>Worldometre population statistics</p> <p><a href="https://www.worldometers.info/world-population/russia-population/">https://www.worldometers.info/world-population/russia-population/</a></p>
<p>Contrasting Places: Russia</p> <p>E5: Rural Vs Urban</p>	<p>Key point: To understand the differences between urban and rural Russia and begin to consider what life is like in this country.</p>	<p>Rural Russia</p> <p><a href="https://www.youtube.com/watch?v=z5SPPTKROHQ">https://www.youtube.com/watch?v=z5SPPTKROHQ</a></p> <p>Moscow</p> <p><a href="https://www.youtube.com/watch?v=pnN2BNrSrXY">https://www.youtube.com/watch?v=pnN2BNrSrXY</a></p>
<p>Contrasting Places: Russia</p> <p>E6: Russia and the environment</p>	<p>Key point: Russia has many different environmental challenges that it must overcome.</p>	<p>Permafrost in Siberia</p> <p><a href="https://www.youtube.com/watch?v=c3Gyiy_6v4">https://www.youtube.com/watch?v=c3Gyiy_6v4</a></p>

## Geography – Year 9

Learning Episode	Learning outcomes	Case Studies/ Skills/ Resources/ Text references
<p>Contrasting Places: Russia</p> <p>E7: Chernobyl a Nuclear disaster</p>	<p>Key point: Nuclear power has its' advantages, however can be seen as a high-risk resource due to events such as the catastrophic Chernobyl disaster.</p>	<p>Top Gear in Pripyat  <a href="https://www.youtube.com/watch?v=jxrAfAD_GSo">https://www.youtube.com/watch?v=jxrAfAD_GSo</a></p>
<p>Contrasting Places: Russia</p> <p>E8: Russia and conflict in the Ukraine</p>	<p>Key point: To understand the reasons for the Russia – Ukraine conflicts and to consider what the future may hold for this dispute.</p>	<p>Russia/Ukraine conflict  <a href="https://www.youtube.com/watch?v=WPSXBZAm5M">https://www.youtube.com/watch?v=WPSXBZAm5M</a></p>
<p>Contrasting Places: Russia</p> <p>E9: Russia and the UK</p>	<p>Key point: Russia plays a significant role in Global Energy Resources and has a direct impact on our lives.</p>	<p>Russia and resources  <a href="https://www.youtube.com/watch?v=O_72wOhL8zQ">https://www.youtube.com/watch?v=O_72wOhL8zQ</a></p>
<p>Contrasting Places: Russia</p> <p>E10: Tourism in Russia</p>	<p>Key point: Tourism in Russia appeals to international visitors and is extremely influential to Russia's economy.</p>	<p>Russia Tourism  <a href="https://www.youtube.com/watch?v=YrNxPr4PKQo">https://www.youtube.com/watch?v=YrNxPr4PKQo</a></p>

## Geography – Year 9

	Learning Episode	Learning outcomes	Case Studies/ Skills/ Resources/ Text references
<b>Term 5 &amp; 6</b>	Restless Earth  E1: Introduction to Restless Earth	Key point: Our planet is home to a variety of natural hazards that occur due to physical processes.	GCSE POD  Bitesize <a href="https://www.bbc.co.uk/bitesize/guides/zxh4wx/s/revision/1">https://www.bbc.co.uk/bitesize/guides/zxh4wx/s/revision/1</a>  Blue GCSE AQA Textbook pages: 8-9
	Restless Earth  E2: Why do humans live in hazardous places?	Key point: Throughout history, humans have colonized high-risk areas due to a variety of different factors.	GCSE POD  Bitesize <a href="https://www.bbc.co.uk/bitesize/guides/z2vjxsg/revision/1">https://www.bbc.co.uk/bitesize/guides/z2vjxsg/revision/1</a>  Blue GCSE AQA Textbook pages: 8-9
	Restless Earth  E3: Convection and plate tectonics	Key point: Tectonic plates move as a result of convection within the earth's mantle. Heat generated deep within the earth causes tectonic hazards to occur on the earth's surface.	GCSE POD  Bitesize <a href="https://www.bbc.co.uk/bitesize/guides/z2vjxsg/revision/1">https://www.bbc.co.uk/bitesize/guides/z2vjxsg/revision/1</a>

## Geography – Year 9

Learning Episode	Learning outcomes	Case Studies/ Skills/ Resources/ Text references
		Blue GCSE AQA Textbook pages: 10-21
Restless Earth  E4: Tsunami's: A tectonic hazard	Key point: The Pacific 'ring of fire' is a plate margin known for frequent earthquakes and these often cause secondary hazards such as Tsunami's.	YouTube  <a href="https://www.youtube.com/watch?v=DrwYtGf40hA">https://www.youtube.com/watch?v=DrwYtGf40hA</a>  Japan Tsunami, 2011  Blue GCSE AQA Textbook pages: 10-13
Restless Earth  E5: Iceland a land of fire and ice	Key point: Iceland is a growing land-mass that is characterised by geothermal heat and vast glaciers.	GCSE POD  YouTube BBC – The volcano that stopped Britain  <a href="https://www.youtube.com/watch?v=blDXgde1Tpg&amp;t=13s">https://www.youtube.com/watch?v=blDXgde1Tpg&amp;t=13s</a>  Blue GCSE AQA Textbook pages: 14-17
Restless Earth	Key point: Tropical storms occur due to a range of different factors and have a disastrous impact towards people and places.	GCSE POD  Bitesize

## Geography – Year 9

Learning Episode	Learning outcomes	Case Studies/ Skills/ Resources/ Text references
E6: Tropical storm disasters		<a href="https://www.bbc.co.uk/bitesize/guides/zpxgk7h/revision/1">https://www.bbc.co.uk/bitesize/guides/zpxgk7h/revision/1</a>  Blue GCSE AQA Textbook pages: 24-31
Restless Earth  Ep 7: Flooding in Bangladesh	Key point: Flooding is an atmospheric hazard that is becoming more severe and intense due to climate change.	YouTube Bangladesh adapting to climate change <a href="https://www.youtube.com/watch?v=xWG_uzLm_uug">https://www.youtube.com/watch?v=xWG_uzLm_uug</a>
Restless Earth  Ep 8: Hazard risk and mitigation	Key point: Natural hazards cannot always be prevented; however prediction and protection can often mitigate against possible impacts.	GCSE POD  Bitesize <a href="https://www.bbc.co.uk/bitesize/guides/zpxgk7h/revision/1">https://www.bbc.co.uk/bitesize/guides/zpxgk7h/revision/1</a>  Blue GCSE AQA Textbook pages: 18-21
Restless Earth  Ep 9: The future of planet Earth	Key point: With growing human populations and an increase in the intensity and frequency of natural hazards, the future of human civilisations is under threat.	YouTube Are natural disasters normal? <a href="https://www.youtube.com/watch?v=JWXvgvyvKX8">https://www.youtube.com/watch?v=JWXvgvyvKX8</a>

## Geography – Year 9
