When a member of our group turns 16, it's not the case that they have to leave the group. We have some group members who have stayed until they are 17 as this is right for them.

When they are 18, they will then have the opportunity to return as a volunteer.

We have found that the registration process really works, so despite restrictions lifting we are keeping this in place; as it helps us to find out a bit more about the young person before they join and any particular needs.

We have lovely volunteers who work with us and two young peer mentors. The Peer Mentors provide a great generational and cultural bridge between the ages of the leaders and the young people in the group.

We are always open to group members to arriving early or leaving a bit later as they might need to chat about something or might like to help out and get more involved

To enquire about Hide and Seek, you can contact Emma Davies on [edavies@youthworksnorthamptonshire.org.uk](mailto:edavies@youthworksnorthamptonshire.org.uk)

Hide and Seek is very much the young people's group. Leaders do suggest ideas and encourage them, but together as a whole team, we plan our activity and social calendar.

We are a very friendly group; the young people are great at supporting each other. Some of our young people have anxiety, autism and or ADHD. We provide a quiet space where they might like to just hang out or chat with staff and volunteers. Or we have more active spaces where they can join in with activities.

We celebrated Halloween, with Candy Floss, Fancy Dress and Scary Charades!
