UNIFROG - CAREERS

Each week we will be highlighting careers via the Unifrog platform.

This week we will be looking at the **creative** pathways and careers in the **arts and media**.

Unifrog details day to day duties, typical working hours and environments, skills and entry requirements, career progression and typical salaries. Within each link there are different pathways for you to explore and many different vocations that you may not have considered.

Please click this link to find out about the different career paths available, then click 'read the profile' to find out more:

CAREERS INTERVIEWS

All year 12 have been timetabled a 1:1 independent careers interview

These appointments have been scheduled throughout November. This interview will take priority over taught lessons and students are reminded to check their time and date in advance. If they miss a lesson they must contact the teacher for any missed work.

Attendance matters

TENC OPEN EVENING

This is on Wednesday 8th November, if you know of any year 11 students that are considering the 6th form in September please share this information with them,

Thank you

TENC OPEN EVENING

at Rushden Academy

Wednesday 8th November, 5.45pm

Talks at 6pm & 7pm

Join us for a tour of the school and talk with the staff and students.

Choice

We offer an extensive range of academic and vocational courses. Giving students a unique breadth of offer, including the flexibility to combine both academic and vocational courses.

Support

We pride ourselves on providing exemplary pastoral care and personal development opportunities to ensure that students have the skills, confidence and character in their lives beyond TENC.

Success

We have an excellent track record in academic and vocational examination results. Our students successfully gain places at Russell Group universities including Oxford and Cambridge, local universities, apprenticeships and employment.

SPECIAL OPPORTUNITIES

What's the point of this Special opportunities tool? Find stuff that'll help you get in to your next step after school or college, and get paid for it too.

1. Scholarships

One-off scholarships mean you get the money all in one go.

Renewable scholarships and bursaries mean you get some money every year of your degree - you might have to reapply, or it might be automatic.

2. Activities

Summer schools and residentials give you a taste of university life and study before you start.

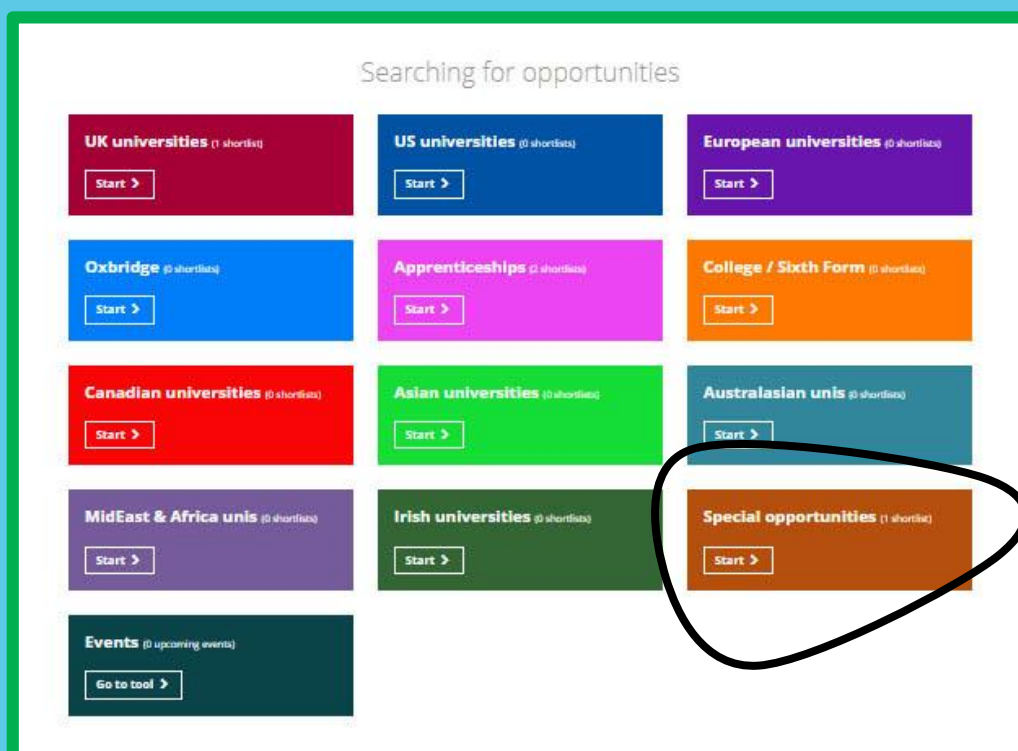

Mentoring and advice sessions help with your application.

You can write about the competitions you enter in any of your applications to show you put time into your studies outside of the classroom. Plus, if you win, you'll get a prize which is often money!

Contextual offers are those where universities lower their entry requirements for students who have met certain criteria.

Gap years give you a break to experience different activities before you decide on or start your next step.

Virtual work experience gives you some real-life experience of work, without going anywhere.

Scroll down to 'searching for opportunities', then 'Special opportunities'.

DRESS CODE

There have been an increasing number of students wearing converse and white trainers. These are not permitted in TENC and students are reminded regularly about this. There will be sanctions put in place for those who do not have a valid reason for wearing incorrect footwear.

UoN University of Northampton

Creative Expo trip 24th November 2023

All students studying creative and performing subjects (Art, Photography, DT, Performing Arts and Drama) have been invited to take part in the creative expo. During this visit they will get the opportunity to find out about the creative industries and possible career paths open to them. There will also be the opportunity to talk to business and employers and take part in practical workshops. This is a free trip and if your child is interested they will need to collect a letter from the 6th form office.
